

About Jon Pardi:

Multi-Platinum, award-winning singer/songwriter/producer Jon Pardi has refined and defined a country sound that gets people drinking, dancing, and drowning their heartaches. His fourth studio album, *Mr. Saturday Night*, earned Pardi his third consecutive ACM Album of the Year nomination and proved Pardi has “blazed his own trail over the past decade” (*Billboard*), with Taste of Country noting, his “refusal to chase sets *Mr. Saturday Night* apart” and Nash News raving, *Mr. Saturday Night* “proves he might be the most successful at combining the old-school sound with today’s need for hooks.” The album reunited Bart Butler, Ryan Gore and Pardi, the same producing team behind the boards of his critically acclaimed album, *Heartache Medication*, and produced the award-winning artist/producers’ fifth No. 1 single “Last Night Lonely,” as well as his sixth and latest No. 1 hit, “Your Heart Or Mine.”

Mr. Saturday Night follows Pardi’s album, *Heartache Medication*, which debuted among the top albums on *Billboard*’s Country Albums chart and was named in 2019 *Rolling Stone*’s “Best Album of the Year” and by the *Los Angeles Times* as one of the (Top 10) “Best Albums of the Year,” as well as his breakthrough Platinum-selling album, *California Sunrise*, which featured the multi-platinum, chart-topping hits “Dirt On My Boots,” “Head Over Boots,” “Heartache On The Dance Floor” and “Night Shift.” The unrepentant Cali-tonker praised by *The New York Times*, *Cowboys & Indians*, *Variety*, *Rolling Stone*, NPR and the *Los Angeles Times* has appeared on Good Morning America, Jimmy Kimmel Live!, The Tonight Show Starring Jimmy Fallon, TODAY, Late Night with Seth Meyers and The Kelly Clarkson Show and more.
