

## About Kacey Musgraves

Kacey Musgraves is a seven-time Grammy Award winner whose fifth studio album *Deeper Well* will be released in March 2024. *Deeper Well* is the first release since her critically acclaimed 2021 *star-crossed* album, which debuted at No. 1 on *Billboard's* Top Album Sales Chart. *star-crossed* is the follow up to Musgraves' groundbreaking 2018 album, *Golden Hour*, which earned Musgraves her third No. 1 debut on *Billboard's* Top Country Albums chart and distinguished her as only the third artist to ever take-home Album of the Year at the Grammy Awards, Country Music Association Awards and Academy of Country Music Awards.

In 2022 Musgraves was honored by Time Magazine as one of its 'Women of the Year,' and by GLAAD Media Awards as its prestigious Vanguard Award recipient. Musgraves has also been honored as part of *Billboard's* 'Women In Music,' *Variety's* 'Power of Women,' as well as the Country Music Hall of Fame hosting a comprehensive exhibit of the artist's life titled *Kacey Musgraves: All of the Colors*. In 2023 Musgraves achieved her first Hot 100 No. 1 for "I Remember Everything," a duet with Zach Bryan. "I Remember Everything" is the first country music duet in 40 years since Dolly Parton and Kenny Rogers "Islands in the Stream" (1983) to reach this feat. "I Remember Everything" earned the Grammy Award for Best Country Duo/Group Performance at the 66th annual ceremony in February 2024. With this win, Musgraves became the only artist ever to receive a Grammy Award for Best Country Album, Best Country Song, Best Country Solo Performance and Best Country Duo/Group Performance.
