

Award-winning duo Maddie & Tae channel their unbreakable bond, honest songwriting and “some of the tightest harmonies on Music Row” (Rolling Stone) into their new music, including their latest release “Sad Girl Summer” and recent single “Heart They Didn’t Break,” out now. Together as longtime friends and music collaborators, Maddie Font and Taylor Kerr co-wrote each track on their 1-2 punch project Through The Madness Vol. 1 and Vol. 2. The pair previously drew praise for their No. 1 debuting The Way It Feels album, including the 3X Platinum-certified No. 1 hit, “Die From A Broken Heart.” With “Die From A Broken Heart” topping the country airplay charts, Maddie & Tae became the first and only female twosome with multiple No. 1s.

Maddie & Tae first broke out in 2013 with their brilliant counter to bro-country, the Platinum-selling smash, “Girl In A Country Song,” which took Country radio by storm, skyrocketing to the top of the charts and establishing them as only the third female duo in 70 years to top the Country Airplay charts. They took home Group/Duo Video of the Year (“Woman You Got”) at the 2022 CMT Music Awards, and were recently nominated for Vocal Duo of the Year at the 57th CMA Awards. They have earned trophies from the Radio Disney Music Awards and CMA Awards, along with multiple ACM, Billboard and CMT Music Award nominations. Maddie & Tae have received widespread praise from Associated Press, Billboard, Entertainment Weekly, NPR, The Tennessean, The Washington Post, Glamour and others. The celebrated duo has toured with country music’s hottest stars including Carrie Underwood, Dierks Bentley, and Brad Paisley. They are currently on the road for their headlining Here’s To Friends Tour through summer. For more information, visit www.maddieandtae.com.
